

single-session-user

I've been listening to audiobooks during my daily commute, which takes **45 minutes each way**.

How long is my commute to work?

45 minutes each way

single-session-preference

Can you recommend some camera flash options compatible with my **Sony A7R IV**?

Can you suggest accessories that complement my photography setup?

The user would prefer suggestions of Sony-compatible accessories.

What's the best way to clean **my Sony 24-70mm f/2.8 lens**?

As a Sony camera user, I've been thinking about upgrading my camera bag to something more comfortable and durable.

knowledge-update

I'm trying to plan my next trip... I was thinking about my family trip to **Hawaii** last month and how we had a great time snorkeling together.

Where did I go on my most recent family trip?

Paris.

I'm actually thinking of going to **Paris**, we just went there as a family last week and it was amazing...

abstention

I upgraded my old **10-gallon tank**, which has my betta fish, Bubbles.

How many fish are there in my 30-gallon tank?

You did not mention that you have a 30-gallon tank.

I added decorations to the **20-gallon tank** to create more hiding places for the fish.

single-session-assistant

Which one would you say is the best for a romantic dinner?

Can you remind me of the romantic restaurant in Rome you recommended for dinner?

Roscioli

I would recommend **Roscioli**. It has a cozy and intimate atmosphere with soft lighting and excellent service...

temporal-reasoning

1/22

I went to behind-the-scenes tour of the Science Museum today **with a friend who's a chemistry professor**.

6/25

How many months have passed since my last museum visit with a friend?

5 months

3/11

I attended a guided tour at the Natural History Museum yesterday with my dad.

4/18

I just learned a lot in a lecture at the History Museum about ancient civilizations this month.

multi-session

I'm looking to find a piano technician to service my **Korg B1**.

How many musical instruments do I currently own?

I've been playing my **black Fender Stratocaster** electric guitar a lot lately...

I've had my acoustic guitar, **a Yamaha FG800**, for about 8 years.

4

I'm thinking of selling my old drum set, **a 5-piece Pearl Export**.
